## **COST OF THIS INSURANCE POLICY:**

The total premium is the amount **We** charge for covering the risk of loss or damage to **Your Valuable Article** and any taxes and government charges that may apply.

When calculating **Your** premium, **We** take a range of rating factors in to account. These factors, and the degree to which they affect **Your** premium will depend on the information **You** provide to **Us**.

Some factors that impact the calculation of **Your** premium include:

- Where **You** live and where **Your Valuable Article** is kept
- The security at **Your** home
- The Sum Insured
- **Your** previous insurance and claims history.

## **SIGNIFICANT RISKS:**

- **Your** Sum Insured may not be adequate:

The Sum Insured set against each item in the **Schedule** is the maximum amount we will pay for that item irrespective of the actual cost to replace it. The cost of gold, platinum, precious stones and other costs associated with jewellery repair and manufacture can go up significantly and the Sum Insured may not be adequate to replace the **Valuable Article** with one of exactly the same specification.

It is **Your** responsibility to ensure that that Sum Insured is adequate to cover the **Replacement Cost**. **We** recommend that **You** have **Your Valuable Article** valued for insurance purposes on a regular basis.

- A claim may be refused:

**We** may refuse to pay a claim or reduce the amount **We** pay if **You** do not comply with the **Policy** conditions, if **You** do not comply with **Your** Duty of Disclosure or if **You** make a fraudulent claim.

## **DUTY OF DISCLOSURE – WHAT YOU MUST TELL US:**

Under the Insurance Contracts Act 1984 (The Act), **You** have a Duty of Disclosure. The Act requires that before a policy is entered into, **You** must give **Us** certain information **We** need to decide whether to insure **You** and anyone else to be insured under the policy and on what terms.

**You** must tell **Us** everything that a reasonable person in the circumstances could be expected to tell **Us**, in answer to the specific questions that **We** ask.

When answering **Our** questions, **You** must be honest.

- Who needs to tell **Us**:

It is important that **You** understand **You** are answering **Our** questions in this way for yourself and anyone else who **You** want to be covered by the **Policy**

- If **You** do not tell **Us**:

If **You** do not answer **Our** questions in this way, **We** may reduce or refuse to pay a claim, or cancel the **Policy**. If **You** answer **Our** questions fraudulently, **We** may refuse to pay a claim and treat the **Policy** as if it had never existed.

If **You** wish to renew, vary, extend or reinstate this **Policy**, **You** are required to tell **Us** everything **You** know that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to **Our** decision to insure **You**, and anyone else to be insured under the **Policy**, and if so, on what terms.

- **You** do not have to tell **Us** about any matter:

- ❖ that diminishes the risk
- ❖ that is of common knowledge
- ❖ that **We** know or should know in the ordinary course of **Our** business as an insurer
- ❖ which **We** indicate **We** do not want to know

- If **You** do not tell **Us**:

- ❖ If **You** do not comply with **Your** Duty of Disclosure **We** may reduce or refuse to pay a claim or cancel **Your** **Policy**. If **Your** non-disclosure is fraudulent, **We** may treat this **Policy** as if it had ever existed

## PRIVACY:

Privacy legislation regulates the way private sector organisations can collect, use, keep secure and disclose personal information. **We** are bound by the Privacy Act 1988 (Cth) when collecting and handling **Your** personal information.

**We** will only collect personal information from or about **You** for the purpose of assessing **Your** application for insurance and administering **Your** **Policy**, including any claims **You** make or claims made against **You**. **We** will only use and disclose **Your** personal information for a purpose **You** would reasonably expect.

**We** may need to disclose personal information to **Our** reinsurers, insurance intermediaries, insurance reference bureaux, credit reference agencies, **Our** advisers and those involved in the claims handling process (including assessors, investigators and other insurers) for the purpose of assisting **Us** and them in providing relevant services and products, or for the purposes of recovery or litigation. **We** may disclose personal information to people listed as co-insured in **Your** **Schedule** and to family members or agents authorised by **You**. **We** will request **Your** consent to any other purpose.

By providing **Your** personal information to **Us**, **You** consent to **Us** making these disclosures. Without **Your** personal information **We** may not be able to issue insurance cover to **You** or process **Your** claim.

**You** also have the opportunity to find out what personal information **We** hold about **You** and, when necessary, correct any errors in this information. Generally **We** will do this without restriction or charge.
